

Meta Makers Cooperative COVID-19 Policy

Closed to the Public

Meta Makers is closed to the public. No public events such as open houses or community workshops will occur during the crisis.

Access for Members

Members may continue to come to Meta Makers at their own discretion. Members have no obligation to come to the makerspace whatsoever. Members who use the makerspace for essential manufacturing, research, and IT infrastructure may continue to do so. We rely on our members to make informed decisions and practice additional safety measures.

Safety Measures

All persons must comply with all rules and restrictions as mandated by the Federal, Provincial, and Municipal government.

Please see the local health unit page for the latest mandate:

Please review the best practices recommended by the Public Health Agency of Canada:

<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>

In addition to compliance with the law, all persons must take these safety measures while at Meta Makers:

- 1) Wear your face covering while in the Sho building or at Meta Makers so long as you are medically able to
- 2) Sign the sign-in sheet to facilitate contact tracing
- 3) Allow 2 metres of personal space
- 4) Use the provided wipes to sanitize surfaces
- 5) Limit the total number of occupants to a maximum of 2 people in the front and 3 people in the lab at one time
- 6) Do not come to Meta Makers if you or your guest have travelled within the past 14 days
- 7) Do not plan gatherings at Meta Makers
- 8) Do not come to Meta Makers if you have any symptoms or if you are suspected or confirmed to have contracted COVID-19
