

Meta Makers Cooperative COVID-19 Policy

Closed to the Public

Meta Makers is closed to the public. No public events such as open houses or community workshops will occur during the crisis.

Access for Members

Members may continue to come to Meta Makers at their own discretion. Members have no obligation to come to the makerspace whatsoever. Members who use the makerspace for essential manufacturing, research, and IT infrastructure may continue to do so. We rely on our members to make informed decisions and practice additional safety measures.

Safety Measures

Members must follow these safety measures while at Meta Makers during the COVID-19 crisis:

- 1) Allow 2 metres of personal space
- 2) Use the provided wipes to sanitize surfaces
- 3) Limit the total number of occupants to 5 people at one time

Please review the best practices recommended by the Public Health Agency of Canada:

<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>

Comply with Government Laws

Members must follow government laws. These include but are not limited to:

- 1) Do not come to Meta Makers if you or your guest have travelled within the past 14 days
- 2) Do not plan gatherings at Meta Makers of more than 5 people
- 3) Do not come to Meta Makers if you are suspected or confirmed to have contracted COVID-19
